Vendor SLA Standard

Policy owner: IT Vendor Management. Applies to: Northwind Industries Inc. and subsidiaries.

Section 1 - Availability

Hosted services must commit to monthly availability of at least 99.5 percent, measured excluding scheduled maintenance announced five business days in advance.

Section 2 - Service Credits

Suppliers must grant service credits of at least 5 percent of monthly fees for each full percentage point below the committed availability.

Section 3 - Incident Response

Priority 1 incidents require a response within 30 minutes and a resolution plan within 4 hours, at any time of day.
